

## DIRECTIONS

Channels is just off the A130 at Little Waltham on the North Side of Chelmsford. From London, M25, South and East Essex take the A12. This now bypasses Chelmsford. Take the exit A130 to Stanstead - follow this sign past the new cattle market, Volvo dealers and White Hart Pub.

At the White Hart roundabout turn right following the A130 signs. Pass two small roundabouts and at the next, bear right. You are now on the new section of the A130. At the next roundabout, after Channels Lake and in front of Mid-Essex Gravel Works, turn right onto the entrance road to Channels. Continue along until you see the Clubhouse to your right
