Subject: Thank You

Hi,

I just wanted to say thank you making our stay with you such an enjoyable experience. The Hazel suite is amazing, the bed, the bathroom, especially the shower, and the whole décor, absolutely stunning. We were made to feel so welcome not only by you and your staff but also everyone in the Golf club, bar and restaurant. A special thank you to Simon who we dragged out to sort the alarm out, that was really appreciated. The breakfasts in the restaurant were lovely and well presented, nothing was too much trouble. We really had such a lovely time and will definitely recommend you to everyone we know and also hope to return for another stay one weekend in the future. We will of course demand the Hazel suite as it was so luxurious.

Many, many thanks again for making our weekend so special and memorable.

Take care,

Kate and Chris Toal
